

Was born www.IOVADOINVACANZAINABRUZZO.com in order to create interest in this region for the most unknown and untouched, except for the last sad events.

www.IOVADOINVACANZAINABRUZZO.com. A site powered by the "web surfers" to whom, a site that wants to collect comments and photos on holiday in Abruzzi and the "promises" of holidays in Abruzzo. A site that wants to welcome the many sponsors of the sites.

For people who no longer can do anything if you do not bring with us the memory of them, as friends and family x who has known them as human beings who x as we do not know.

For people who have lost their homes can do anything if you do not rebuild their home as much as possible even though it was never will be more. And house them in the most comfortable as possible in the time of reconstruction. I hope this is done quickly and it is the duty of the government as an expression of us all.

For those who have lost the company, his small farm or the factory or the shop, can do nothing if not help to recover as possible and get back on their feet soon and this is the responsibility of both groups on the territory of both the government as an expression of us all.

But as we do to help you recover? Who thinks of all those who by the earthquake have been touched only by the noise, tremor, fear and emptiness? A great void of people, empty of business, working vacuum, empty of tourists, vacuum sales, vacuum perfect. I am thinking above all the hundreds of small businesses in the mountains to the sea in the countryside that are still happy to stay healthy, of course, but in their real estate business. We can speak because we have known so many. For all these men and women and to all our friends we would like abruzzesi do what we do, at least in part, and that is communicate. IO VADO ON HOLIDAY IN ABRUZZO.

I GO ON HOLIDAY IN ABRUZZO: this summer, this fall, now, a weekend, a trip, one week. Abruzzo is a tourist destination for any budget and any
